Hi all,

The Northern Ireland regulatory amendments were due to come into force on the 11<sup>th</sup> but we are now expecting them to be **18<sup>th</sup> November** due to further tweaks to the regulations being needed.

We'll keep you up to date. The public line on this is still to refer people to DETI in relation to questions about when this is coming into force. Unfortunately their [website](#) still refers to 4 November, and I have asked them to change this to reduce confusion.

Thanks,

Katy
