Good morning Teri and Edmund

Everyone in my team is fully aware of how much of your time was consumed recently on the NI PAC but we have a number of outstanding case closure recommendations still awaiting your review and decision.

As we are finalising our papers for next week's RFMG meeting I am keen not to have to flag this as a reason why our case closure performance has dropped in the past 2 months.

Can I ask you to consider these 3 NDRHI cases today and let Ed before noon tomorrow so that they can be reflected in our RFMG report?

Thank you

Karen
