Great suggestion. We've got him notionally booked in for RHI until mid to late October. I've just chatted to him and Juliet to say that I'd like to keep him on beyond this to work on NIRHI, FITs Comprehensive Review and/or ECO, and that the development phase for the first two would start around mid/late November. He seems interested (though he is applying for a project management role elsewhere in Ofgem). We agreed to look at how best to tackle this when he returns from holidays the week after next.

Hi Matthew

Do you know what Rob Reid's contract status is and when its due?

Am thinking he could have a useful role in NI RHI

Have a good weekend

Thanks

Andrew
