Sorry – this is what they are after

Publication of guidance and publication of specified information on the Department's website

51.—(1) The Department must publish procedural guidance to participants and prospective participants in connection with the administration of the scheme.

(2) The Department must publish the following information on its website—

(a) information in aggregate form as to—

- (i) the number of accredited RHI installations;
- (ii) the technology and installation capacity of those accredited RHI installations;
- (iii) the amount of heat those accredited RHI installations have generated;
- (iv) the total amount of periodic support payments made under each tariff; and

(b) information in aggregate form as to—

- (i) the number of participants who are producers of biomethane;
- (ii) the volume of biomethane produced for injection by those participants; and
- (iii) the total amount of periodic support payments made in respect of that biomethane.

Morning!

DETI have finally started to ask for stats relating to their scheme as they have realised they are light in what they publish. Do you think there are any issues in giving this to them? They already receive information on capacity, so it seems odd we don't share this information as a monthly report to them.

Thoughts?

Regards

Teri
