

Den call

- Waiting on Ter's response.
- Need retrospective approval.
- Touch on issue of grace periods.
- Changes for October:
 - submission with minister 1st w
 - hoping he comes back next week
- paper went up - share draft.
- tiered tariff for biomass.
- expanding banding up to 199kw ??
- (150kw may be more appropriate) ...
- The size of boiler - the tariff is driving size of boiler.
- 99kw will become 199kw
- LPG to hop up.
- kW hours ~~XXXXXX~~ 75% poultry sheds.
- meetings tomorrow with poultry & other industry.
- Poultry industry large in NI (bigger than England)

~~People think but~~

→ Details of 40 poultry farmers
→ Can we give them the higher rate?

→ people entered into long term agreements - not just poultry!
(Katy asked how others will feel)

→ legislative change?

→ Expect increase in apps between now & October. ahead of tariff changes

~~Successful~~ Successful year (interim target of 4% by 2015 - think we'll be there by Autumn).
