Hi Martin
Is there anything specific in the SOP about this?
Thanks
Teri

Morning Teri
All is going swimmingly – thanks for asking!
Edmund left me a message – but we have missed each other and I am on A/L Fri / Mon.
I cannot recall anything specific regarding Carbon Trust loans (it was a while ago now!) and I cannot seem to find any relevant emails on this either. The first NI accreditation did not occur until towards the end of Feb. and as the email attached from Marcus indicates – any potential issues were to be flagged to him as and when any applications came through regarding state aid.
To my knowledge – none did during my NI tenure.
Sorry I cannot be of more help – Marcus may well be the man to go to!
Kind Regards
Michelle

Hello!
Trust all is going well?
I don't know if Edmund had a chance to catch up with you yesterday, but we are after some help. We have some issues at the moment with Carbon Trust loans and the NIRHI and I was wondering if you had had any steer from legal on technical on this before you went back to DETI in January. They've sent me an email from you saying it fits within the scheme but I wondered if you had taken advice from Marcus or anyone on this. If you have anything it would be great for me to be able to pass it to Lade who's looking into this urgently for us as DETI are getting complaints as we are now having to reject them.
Shout if you want me to fill you in a bit more!

Thanks

Teri
