Good morning Terri,

Following on from conversations with Joshua Leach yesterday I understand that you are chasing Edmund for an update on the Audits for the two [Sensitive investigative information redacted by the RHI Inquiry], as you may know the results of these audits is what is currently holding back his payments for all PD submission to date.

I have been dealing with Fergal Heggarty who has already been on the phone this morning for other issues but confirmed he is yet to get an update.

I'm happy to call him back when you have news for him.
