I think he knows me quite well by now!! They will discuss with John Mills as well. I referred him to the whole email as you suggested so he knew that the last time I rang him like that he needed to take action 😊

Hi all,

Just had a quick chat with Seamus, who is about to have a chat with Stuart and he'll update me in the morning. But reassuringly it is sounding like he is acknowledging the risks around this now and it sounded like the option of pulling these changes out for now is very much on the table!

Teri, thanks for calling Stuart. Sounds like he headed straight over to Seamus!

Thanks

Katy
