Hi Mick,
I hope you're well.

The Technical Advisor was speaking with Robert Livingstone at the Share Centre (IMP218) and he hasn't received a copy of the final report yet. Could you please send it out to him today? Could you advise when it has been sent so I can let him know.

Thanks a million
Frances

Hi Mick,

I hope you're keeping well.

With regards to IMP218 Discovery/Share Centre, there are a few queries/comments the Technical Advisor would like you to address please:

There appears to be 2 titles on the front page with reference made to Granville Co Tyrone? Also can the options in section 11 and the possible finance solutions in section 8 be more closely linked or cross referenced so the finance options for each recommendation are more specific. This would be useful particularly in respect of likely CT loan eligibility.

Thanks a million
Frances
