A fella rang earlier complaining that he'd been trying all sorts of numbers in the party to get an answer on this renewable heat thing being withdrawn.

He is 2-3 weeks away from installing a £12,000 heating system and wanted to know some details about what actually has been announced and what the implications will be.

His name is Irrelevant information redacted by the RHI Inquiry and his number is Personal information redacted by the RHI Inquiry

Is it possible to give him a call?
