Following from Jim in the Sunday Life there are some queries.

Just for info this is the text he sent me yesterday

"I have done factual interviews with BBC, UTV and City Beat. Singly repeated my statement. They all went easy on me. It has now died down. J"

Anyway, both Irish News and Bel Tel have similar queries in about whether we will make a statement in relegation to all MLAs and any others which might have some link to the RHI.
